## Town Warrant

To the inhabitants of the Town of Claremont, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the lower assembly room and the room above said assembly room, both in the Town Hall, in said town, on Tuesday, the twelfth day of March next, at eight o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.
2. To choose a prosecuting officer.
3. To choose one member of the board of three trustees who have the custody of all the trust funds of the town, to serve for three years.
4. To choose a committee for Stevens High School for the ensuing year.
5. To choose three members of the board of trustees of Fiske Free Library to serve for the term of three years.
6. To see if the town will choose or appoint a committee of citizens to act as a Committee of Finance, whose duty it shall be to investigate all proposed appropriations, previous to the next annual Town Meeting, and report their recommendations at said meeting.
7. To see what sum of money the town will vote to raise and appropriate to pay town officers for the fiscal year ending January 31, 1919.
8. To see what sum of money the town will vote to raise and appropriate for incidental expenses of the town for the fiscal year ending January 31, 1919.
9. To see what sum of money the town will vote to raise and appropriate for the repair of highways and bridges for the fiscal year ending January 31, 1919, and determine how the same shall be paid.
10. To see if the town will vote to raise and appropriate the sum of \$1500.00 for the maintenance of state highways for the year ensuing.
11. To see if the town will vote to raise and appropriate the sum of \$165.00 for the maintenance of the new trunk line already built, for the ensuing year.
12. To see what sum of money the town will vote to raise and appropriate for surface drains.
13. To see if the town will vote to set aside and expend the sum of two thousand dollars on the River Road, so called, leading

from Claremont Junction to the Charlestown line.

14. To see if the town will take any action in regard to repairing the wash-out in the highway east of Poor Farm Hill, so called, and near the dam of John Roberts and others.

15. To see if the town will vote to raise the sum of two thousand dollars for the purpose of building new sidewalks and repairing those now in.

16. To see if the town will vote to raise and appropriate the sum of six hundred dollars for the purchase of two new road machines for the use of the highway department.

17. To see if the town will vote to repair Tremont and Broad Streets near the Broad Street bridge and raise and appropriate money therefor.

18. To see if the town will vote to pave that part of Tremont Square unpaved, and raise and appropriate money therefor.

19. To see what sum of money the town will vote to raise and appropriate to repair Cottage Street.

20. To see if the town will vote to clean the Square and streets and raise and appropriate money therefor.

21. To see if the town will vote to oil and sprinkle the streets and raise and appropriate money therefor.

22. To see what sum of money the town will vote to raise and appropriate for the support of the Fire Department for the fiscal year ending January 31, 1919.

23. To see what sum of money the town will vote to raise and appropriate toward furnishing and equipping the Central Fire Station.

24. To see what sum of money the town will vote to raise and appropriate to put in a retaining wall and grade and concrete the ground connected with the Central Fire Station.

25. To see what sum of money the town will vote to raise and appropriate to pay for the use of hydrants for the fiscal year ending January 31, 1919.

26. To see what sum of money the town will vote to raise and appropriate for street lights for the year ending January 31, 1919.

27. To see what sum of money the town will vote to raise and appropriate for the support of the town's poor for the fiscal year ending January 31, 1919.

28. To see what sum of money the town will vote to raise and appropriate to pay the debts of the town.

29. To see if the town will vote to raise and appropriate the sum of \$2166.75 to meet payment maturing on or before November 1, 1918, of principal and interest on notes issued by the School District to pay for the Way School building.

30. To see if the town will vote to raise and appropriate the

sum of \$2540.00 to meet payment maturing on or before July 1, 1918, of principal and interest on notes issued by the School District to pay for the North Street School building.

31. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

32. To see what sum of money the town will vote to raise and appropriate for the benefit of the American Band.

33. To see what sum of money the town will vote to raise and appropriate in aid of the Claremont General Hospital.

34. To see what sum of money the town will vote to raise and appropriate for the painting, refinishing and refurnishing and support of the Library building and Fiske Free Library for the ensuing year.

35. To see what sum of money the town will vote to raise and appropriate for the support of Stevens High School for the ensuing year.

36. To see what sum of money the town will vote to raise and appropriate for the care and improvement of Moody Park.

37. To see if the town will vote to pay the Selectmen, Assessors and Police officers the sum of three dollars a day.

38. To see if the town will vote to pay the Town Clerk the sum of five hundred dollars per year.

39. To see if the town will vote to give the free use of the Opera House at four different times during the year, of the Town Hall twice during the year, when not otherwise in use, to the Stevens High School.

40. To see if the town will vote to give the free use of the Town Hall such times as may be selected by them to the amount of one hundred dollars, when the hall is not otherwise engaged, to the American Band.

41. To see if the town will vote to give the Fire Department the free use of the Town Hall one such night as they may desire to hold their annual Firemen's Ball, when the hall is not otherwise engaged.

42. To see if the town will vote to give the free use of the Town Hall at four different times during the year, and of the Opera House three different times during the year, when not otherwise engaged, to the Ladies' Union Aid Society, for the benefit of the Claremont General Hospital.

43. To determine the rate of discount the town will allow persons paying their taxes within such period as the town may determine.

44. To see if the town will vote to raise and appropriate the sum of three hundred dollars for the purchase of a new adding machine for the town offices.

45. To see if the town will vote to raise three hundred twenty-five dollars to be used for installing modern urinals in the basement and other necessary repairs in the Town Building.

46. To see what sum of money the town will vote to raise and appropriate to aid the American Red Cross.

47. To see if the town will vote to instruct the selectmen to pave and make other necessary improvements on that portion of Main and Pleasant streets, between Spring and Prospect Streets, occupied by the Claremont Railway & Lighting Company between and eighteen inches outside of each of their rails as required by law, provided said Company neglects to make said improvements, and collect the expense of the same of said Company, authorizing the selectmen to provide the necessary means of making said improvements by issuing bonds or borrowing money on the credit of the town.

48. To see if the town will vote to elect a committee of three to ascertain as nearly as possible the original cost of the Water Works to the town and the financial standing between the Water Works and the town January 1, 1919, and report their finding to the next annual town meeting thereafter.

49. To see if the town will vote to authorize the Water Commissioners to purchase or take by the right of eminent domain for the town, such lands, rights of way over lands, and water rights as may be necessary to conserve the water of White Water Brook and conduct the same into the Dole Reservoir and pay for the same from the Water Works treasury.

50. To see if the town will vote to authorize the Water Commissioners to purchase or take by right of eminent domain for the town, such lands, rights of way over lands, and water rights as may be necessary to conserve the water of White Water Brook and conduct the same into the Dole Reservoir and raise and appropriate money therefor or issue bonds or notes in the name of the town to pay for the same.

51. To see if the town will vote to lay out and work Ellis Avenue, so called, and raise and appropriate money therefor.

52. To see if the town will vote to pay the Overseer of the Poor six hundred dollars per year.

53. To see if the town will vote to raise and appropriate a sum not exceeding five hundred dollars for the purpose of finishing the basement of the Library Building. The use of the same to be devoted principally to the preservation of a collection of historical material, relics, books and maps relating to the history of the town and surroundings. The expenditure of the amount so raised to be expended under the supervision of the Library Trustees.

54. To see what action the town will take in regard to providing

for the collection of garbage and refuse and raising and appropriating money therefor.

55. To see what sum of money the town will vote to raise and appropriate for the maintenance and development of Monadnock Park for the ensuing year.

56. To see if the town will vote to raise and appropriate the sum of twenty-eight hundred seventy-eight dollars and five cents for the purpose of restoring the principal of the Tappan Fund to the original amount of legacy.

57. To see if the town will vote to raise and appropriate the sum of one thousand dollars for the use of the Cemetery Commissioners to care for the cemeteries of the town.

58. To see if the town will instruct the Selectmen to turn over to the Cemetery Commissioners the triangular piece of land, not including the buildings, north of Main street and west of the entrance to Mountain View Cemetery to brow of hill for cemetery uses.

59. To see if the town will raise and appropriate two hundred fifty dollars for supervised Municipal Garden Work in the town of Claremont, the same to be expended under the direction of the local Emergency Food Production Committee to be appointed by the State Food Administrator.

60. To see if the town will vote to place a new street light at the corner of East and Baker Streets.

61. To see if the town will vote to replace the present incandescent lamp at the junction of Elm and Main Streets with an arc light on Main Street at the junction of Elm and Factory Streets.

62. To see if the town will authorize the Selectmen to purchase the building north of the new Engine house for a storage building, and raise and appropriate money therefor.

63. To see if the town will vote to adopt the legislative act of 1917 entitled "An Act to Reorganize the Government of the Town of Claremont and for Other Purposes."

64. To see if the town will vote to observe Old Home Day and raise and appropriate money therefor.

65. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fifth day of February, Nineteen Hundred and Eighteen.

## Town Officers and Salaries

---

Moderator, Hartley L. Brooks, per day,	\$ 8.00
Selectmen, H. C. Chandler, Bertine O. Prescott, Arthur L. Fitch, each per day,	2.50
Assessors, Arthur L. Fitch, Wm. P. Prescott, Chas. B Spofford, each per day,	2.50
Town Clerk, Hiram G. Sherman, per year,	400.00
Treasurer, E. J. Rossiter, per year,	100.00
Highway Agent, E. C. Lewis, per day,	3.00
Overseer of Poor, E. H. King, per year,	400.00
Chief Engineer of Fire Department, Cornelius E. Sears, per year,	250.00
Auditors, H. W. Parker, Charles H. Weed, Geo. H. Boynton, each per year,	15.00
Tax Collector, Edgar A. Noyes, per year,	800.00
Superintendent of Police, Daniel E. White, per day,	2.50
25 cents per hour for overtime.	
Night Policemen, E. B. Monta, James D. Daly, each per day,	2.50
25 cents per hour for overtime.	
Special Policemen:-	
Wm. Wheeler,	25 cents per hour
F. Bouchard,	25 cents per hour
John Edmonds,	25 cents per hour
Board of Health, F. W. Johnston, Health Officer (appointed by the State Board of Health) per year,	500.00
Water Commissioners, Delor L. Floyd, David R. Roys, H. C. Sanders, each per year,	25.00
Supervisors, Allen P. Messer, Edgar A. Noyes, Ira G. Colby, each election, each,	12.00
Stevens High School Committee, Francis W. Johnston, W. E. Kinney, Roy D. Hunter, E. J. Rossiter, Robert H. Brooks.	
Trustees of Stevens, Healey, Tappan, Fiske, Alden, Chellis, Wallingford and other cemetery funds, J. Duncan Upham, Geo. W. Paul, Ira G. Colby.	

Town School Committee, Wm. C. Dawson,  
Fay E. Clark, Henry S. Richardson,  
Treasurer of Town School District, H. W. P.  
Putnam.  
Superintendent of Water Works, James L.  
Rice.  
Fence Viewers, Rush Chellis, Martin Pederson,  
Allen P. Messer.  
Sealer of Weights and Measures, O. Scott Sar-  
gent.  
Surveyors of Wood, Bark and Lumber, A. L.  
Fitch, Chas. E. Putney, Edw. M. Rus-  
sell, Erastus C. Bailey.  
Election Officers, Moderator, Town Clerk,  
Selectmen, James L. Rice, Wm. E.  
Burns, Earl F. Howe, Assistant Moder-  
ator, Edward P. Nolin, each per annual  
election \$5 00, biennial \$87 50.  
Trustees of Fiske Free Library, H. W. Parker,  
Henry N. Hurd, Henry S. Richardson.  
Cemetery Commissioners, Henry E. Charron,  
Dr. Samuel R. Upham, Edward A. Ball,  
Hira R. Beckwith, Geo. H. Burrill.

## To the Public

There has been an unusual amount of work to be done this year, but owing to the labor conditions, the high cost of materials and many other things over which we had no control, we have not accomplished quite as much as we had hoped to do. We feel, however, that the money has been spent to good advantage and many improvements of a permanent nature have been made.

The Highway Department has been greatly handicapped by the shortage of labor and teams, as well as the high prices demanded. The heavy rains late in the summer delayed the work so much that we could not do all that was planned.

For the Maple Avenue work the selectmen engaged Mr. Riford of the State Highway Department to survey and stake out the road and consulted him about materials to be used. There being no good gravel near by Mr. Riford approved the use of a hardpan found on the Wilson land as a sub-base with a thin coat of gravel on the West end, and a stone base 12 inches thick for 400 feet on the east end, the same to be covered with gravel. Five hundred fifty feet were built at the east end. The hardpan had to be blasted with dynamite and the rock and gravel hauled a long distance. Five thousand seven hundred fifty feet have been finished, leaving 2150 feet unfinished. Provision was made to care for some of the water but there is still much need for an underground drain near the old fair ground.

A part of the gravel taken from Main street has been used to cover 1700 feet of the bad sandy road on Elm street. The balance of the street should be graveled and the whole dragged the coming season.

A high cement abutment has been built for the

bridge over Red Water Brook above the Bowker place at a cost of \$359.85. The bridge near the John Olney place has been finished, also a new cement and iron bridge built near the John Alden place in Puckershire and another of same material on the same brook one quarter mile farther up. The last mentioned bridge being on state highway was paid for out of Maintenance fund. The Alden bridge cost \$887.28. The bridge on Elm street near the Round Building has been repaired but the selectmen believe a bridge of cement should be constructed there in the near future. The bridge at West Claremont was partly re-planked. The side where the railroad is located is in very bad condition and as they refuse to maintain it any longer it should have immediate attention.

The West Claremont road not built by the state was graveled and oiled. This is a great improvement but it will need some attention this spring.

Work on the so-called Windsor road could not be commenced until late but 1250 feet have been built at an expense of \$914.95.

We were anxious to do more work on the Cornish middle road but lack of time and funds prevented it this season.

The unusual number of snow storms and deep snow coming early in December and continuing through the season has made it necessary to employ a large force of men and teams to keep the highway and sidewalks in even passable condition and has made a very large and unlooked-for expense, forcing us to go way above the highway appropriations.

The sidewalks about town are many of them in bad shape. A large sum has been spent on them this season. This money had to come from the highway department. We believe an appropriation should be made for this use the coming season.

The tarvia road bed on Tremont and Broad streets near the bridge has ravelled very badly and should have

immediate attention. If this is done there should be an appropriation for same.

Early in the spring a very unfortunate accident occurred at the Chellis gravel pit which caused the loss of Mr. John Willard's life and Mr. L. G. Hamel received a broken leg and other injuries so he has not been able to work since. While we understand the town is not liable, these men having no means of support the selectmen ordered them well cared for and have paid all bills up to this time. The whole bill has amounted to \$1011.60.

The item in this report pertaining to the Paulette wall was brought about by the police officers using dynamite too near this bank wall while trying to locate the body of a young woman who they believed had committed suicide by jumping into the river near this point. One corner of the wall was blown down and it seemed best for us to replace it.

#### POLICE DEPARTMENT

Early in the season it was found that the heater in the lobby was worn out and it became a question whether to put in a new heater or connect the lobby with the small steam boiler in the Town hall. After consulting an expert and Mr. Sweeney they said it could be done and the selectmen thinking that considering the amount of coal to be saved and as the expense would not be much more than to put in a new heater, decided this would be the best thing to do. Mr. Sweeney gave us a figure of around \$200 but as prices of material were going up so fast, would not bind himself to any price. The work was put off until fall and by that time prices were so high it cost much more than we anticipated, \$317.37, but we feel we have a very good arrangement and by charging off each year the amount of coal previously used in the lobby it will be a good investment.

## CONSTRUCTION ON MAIN and PLEASANT STREETS, CLAREMONT, N. H.

In May, 1916, Mr. George P. Winn, Consulting Engineer and City Engineer of Nashua, N. H., was hired by the Board of Selectmen to make surveys of Pleasant and Main streets and to recommend the proper materials and forms of construction to be used for paving which would most efficiently meet the existing conditions. These conditions composed of the first cost, maintenance cost, annual cost, ease of maintenance, durability, cleanliness, tractive resistance, slipperiness, favorableness to travel, sanitarness, noiselessness and appearance. The most important of these conditions considered were the first cost, maintenance cost, annual cost and noiselessness. In regard to the other conditions considered, the effect would be the same on all types of modern pavements.

Pleasant street had a worn out macadam surface which still contained a quantity of good stone, and it was necessary, in order to keep the first cost down and still conform to the other conditions, to use this old stone. The engineer therefore recommended that this old surface be scarified, a sufficient amount of new stone added, and a two inch surface of mixed asphaltic concrete be applied to it.

Main street had never been macadamized and the grade of the street was much higher than the sidewalks. This was due to the fact that whenever poor spots appeared in the roadway surface more gravel would be applied but that none would ever be taken away. The drainage was poor, the existing sewer into which the sewer inlets emptied being full of dirt. These inlets had no traps which could trap the dirt and keep it out of the sewer. The engineer therefore recommended that a new sewer be constructed with suitable built catch basins to drain the surface water, a new concrete curb be installed, the street excavated to the proper depth and a five inch con-

crete foundation and a two inch mixed asphaltic concrete surface be constructed.

The engineer recommended that before construction was started on either of these streets that all underground sewers, water and gas mains and services, which were in poor condition be renewed, also that the street railway tracks be brought to the proper grade and put in good condition. The Claremont Railway and Lighting company asked permission to relay its tracks on Pleasant and Main streets with four (4) inch T-rails. As this type of rail is unsuitable for paving purposes the engineer recommended that a seven inch grooved girder rail be used. After several consultations it was decided that the company be permitted to use a seven inch girder rail on Pleasant street and part of Main street, a seven-inch T-rail on that part of Main street used for switching purposes and a four inch T-rail on the special track work in the Lower Village Square. In the permit granted to the Claremont Railway and Lighting company the selectmen specified that the company should pave between the rails and for a distance of 18 inches outside of each rail. The specification required that the paving for a distance of 18 inches adjacent to each rail should be of some form of block paving. This was not due to the board being unfair in asking the company to use a more expensive paving than the town, but was done in order to conform to the best experience. The special committee of materials for road construction and on standards for their tests and use reported January 16, 1918, at the annual meeting of the American Society of Civil Engineers that whenever the main roadway is macadam or bituminous it was advisable to lay some kind of block for a width of 18 inches adjacent to the rail.

The company ordered the rail immediately but it was impossible to receive shipment in 1916, and it was decided to put off the construction of these roadways until after the rail arrived. In the spring of 1917 the rail had not arrived, and after waiting for the delivery until June, the

Board instructed the engineer to get out plans and specifications and to get bids from contractors for the construction of these roadways. As the car tracks were on one side of Main street and in the center of Pleasant street, it was decided to pave Main street first. This was done so that should the rails arrive after the pavement was completed less damage would be done by tearing up the old track on Main street than on Pleasant street.

On June 4, 1917, sealed proposals for the construction of Main street were invited by advertisement.

Only two bids were received, one from Robie Consolidated Concrete Co. of Manchester, and other from Adams, Ruxford & Co. of Springfield, Mass. The former being much the lower bidder, were awarded the contract and construction was started soon after.

Before the work was completed the rail for Main street arrived and the new track was installed.

The selectmen were much surprised and disappointed early in August when the Claremont Railway and Lighting company announced that it could not pave its part of the street as it had agreed to do the previous year, the company claiming it had no funds and was unable to raise any money in any way for that purpose. The construction of the roadway had to be continued to the nearest rail. The board ordered this done and upon completion of the Main street work presented the Railway company with a bill for all paving done between the rails at Lower Village and 18 inches outside the south rail, amounting to \$1277.64.

The total cost of the construction on Main street amounted to \$25,591.92. Of this amount bills amounting to \$2574.75 have been presented to the Claremont Railway and Lighting company.

The cost of construction was as follows:—

7273 sq. yds. excavation, 26c	\$1890.98
7273 sq. yds. concrete foundation, \$1.05	7636.65
7548 sq. yds. asphalt surface, \$1.03	7774.44

1355 lin. ft. sewer, \$1.35	1829.25
143 lin. ft. curved cement curb, \$1.05	150.15
1643 lin. ft. straight cement curb, 65c	1067.95
4 manholes, \$44.60	178.40
25 catch basins, \$53	1325.00
2 catch basins rebuilt, \$35	70.00
705.3 sq. yds. new tar concrete walk, 75c	528.98
426.2 sq. yds. resurfaced concrete walk, 45c	191.79
8 sq. yds. new concrete walk, 75c	6.00
Extra sewer work on Main street	100.00
170 lin. ft. 8 inch sewer pipe, 54c	91.80
Extras (as per copy attached)	1766.23
	_____
	\$24607.62
Engineering at 4%	\$ 984.30
	_____
	\$25591.92

This work was supervised by the engineer who also had an assistant on the work at all times and who inspected the construction and gave all necessary lines and grades. All materials were inspected. The sand used in the surface was sent to the State Highway Department to be tested. It was reported back as being as nearly perfect as could be obtained.

The catch basins were made large enough to catch all surface water and were constructed with a trap to catch all dirt and sticks before they have a chance to get into the sewer. These should be cleaned out every year.

Much underground water was encountered in part of the street east of the Lower Village Square. A Telford drain was constructed under the sidewalk in order to intercept this underground water before it reached the street.

The alignment of the street was changed near the Baptist church at which point a house shut off the view of the road and made a very dangerous curve. The property on which the house was located was bought, the

house torn down and a long gradual curve introduced into the street line at this place. This widened the street considerably and eliminated the dangerous curve.

The grading on Pearl street hill was a perplexing problem and its correction was expensive, as extensive excavation was necessary to obtain a fair grade above and across Main street and extensive bank walls had to be built and rebuilt and rubble gutters and suitable catch basins provided.

Main street is very narrow at this point and much study was made in an attempt to widen the street. It was found that this was impracticable as nothing could be done without introducing a reverse curve in both the roadway and railway. This would be dangerous on such a steep grade.

The contractors were handicapped by the labor situation and were unable to complete the work beyond the Lower Village bridge before cold weather.

While the construction of Main street was going on the rail for Pleasant street arrived. Plans and specifications for the new construction on Pleasant street were prepared by the engineer and bids invited. Bids were received from Robie Consolidated Concrete Co. of Manchester and James B. Bartlett of Claremont. The Robie company were again the lower bidder and early in September the contract was awarded to them at a unit price for street, sidewalks and catch basins. The Claremont Railway and Lighting company put in the new rail on Pleasant street and the Square and the Robie company immediately sent another force of workmen here and were able to construct and rebuild all the necessary catch basins on the west side of the street. The new granolithic sidewalk was also finished on the same side of the street before it was necessary to suspend construction on account of approaching winter weather. This work is to be resumed as soon as the frost dries out of the ground in the spring.

The board believes that it is the duty of the Street Railway company to pave its section of Main and Pleasant streets as per its agreement and has notified the general manager to that effect. The company takes the opposite view and refuses to do anything. This leaves the selectmen in a position that compels them to go to the Public Service Commission or some higher authority in order to find out who must pay for that part of the construction.

It is very essential that this work should be done, especially on Main street where it is so narrow. This extra width would help distribute the traffic and save the roadway. They do not feel, however, that the town should pay for it unless a decision is given against the town.

## Water Works

### Treasurer's Statement Showing Income and Expenditures of Claremont Water Works

FROM JAN. 1, 1917, TO DEC. 31, 1917,

#### EARNINGS

Schedule water rentals	\$ 3,400 83
Meter water rentals	17,108 59
Hydrant meter rentals	4,631 89
Miscellaneous water rentals	11 10
Miscellaneous earnings	80 75
 Total earnings	 \$25,233 16
Received for material and labor sold	471 05
 Total income	 \$25,704 21

#### EXPENDITURES

Paid for new meters	\$ 641 14
setting meters	152 68
pine trees and setting same	414 71
one car of 6 inch pipe now in stock	1,246 49
service pipe and other construction work	1,948 32
 Total construction	 \$4,403 34
Paid for repairing meters	\$ 169 96
relaying pipes on account of rebuilding Main and Pleasant Sts.,	1,158 82
miscellaneous repairs	336 00
 Total repairs	 \$1,664 78
Paid for salaries, shop and office expenses	3,170 12

Paid for pumping station expenses	\$513 03
reading meters	421 55
reservoir expenses	248 05
policing reservoirs	307 18
incidental expenses	211 28
rebates on water rentals	10 25
material and labor sold	471 05
balance to town treasurer	14,283 58
 Total expenditures	 \$25,704 21

### Statement of Earnings and Expenditures of Claremont Water Works

FROM MAR. 10, 1902, TO DEC. 31, 1917

#### EARNINGS

From Jan. 1, '17, to Dec. 31, '17	\$25,233 16
Total earnings from Mar. 10, '02, to Dec. 31, '17	\$296,164 73

#### EXPENDITURES

Paid for construction from Jan. 1, '17, to Dec. 31, '17	\$4,403 34
Total amount paid for construc- tion from Mar. 10, '02, to Dec. Dec. 31, '17	160,415 58
Paid for salaries, office and shop expenses, from Jan. 1, '17, to Dec. 31, '17	3,170 12
Total amount paid for salaries, office and shop expenses from Mar. 10, '02 to Dec. 31, '17	32,796 75
Paid for maintenance from Jan. 1, '17, to Dec. 31, '17	3,376 12
Total amount paid for mainten- ance from Mar. 10, '02, to Dec. 31, '17	35,076 25
Balance paid town treasurer Dec. 31, '17	14,283 58
Total amount paid town treas- urer from Mar. 10, '02, to Dec. 31, '17	137,322 19
Total amount received from town treasurer from Mar. 10, '02, to Dec. 31, '17	81,473 10

## Itemized Account of Expenditures

FROM JAN. 1, 1917, to DEC. 31, 1917

American Express Co., express on pine trees	\$ 6 17
Walter Badger, labor policing reservoirs	135 00
Erastus Bailey, labor policing reservoirs	117 50
Baker-Vawter Co., meter reading blanks	15 01
Mrs. Wm. Balcom, rebate on water rent	3 00
E. S. Barnes & Son, insurance	1 50
James B. Bartlett, concreting	10 80
Harold L. Bond Co., tape measures	9 16
Boston & Maine R. R., rent of land	25 00
Boynton & Ellis, supplies	25 28
Leonard Brown, labor	11 25
Builders Iron Foundry, castings	51 35
C. C. Caffrey, gasoline	1 40
Chadwick-Boston Lead Co., pig lead and lead pipe	257 70
Fred Charon, labor	2 00
Olin H. Chase, commissioner, license for C. W. Easter for year 1918	1 00
Claremont Advocate, printing notices	2 11
Claremont Garage, 1 set tire chains	\$ 3 20
1 tire	33 15
1 tube	5 35
1 carburetor	20 00
Gasoline	52 46
Labor and supplies	66 13
Claremont Power Co., electric current	12 72
Ira G. Colby, legal services	16 00
Crosby Steam Gage & Valve Co., charts for recording gage	5 11
F. A. Currier, lamps	81
Regis Delaurier, labor	95
Dodge's Pharmacy, supplies	2 67
Eagle Press, printing notices	7 74
Chas. W. Easter, labor	\$1,117 30
Storage of truck	21 00
Edson Mfg. Co., repairs for pump	57
Ford Meter Box Co., repairs for meter boxes	1 50
Gardner's Garage, repairing tire	4 25
- Walter S. Hall, sharpening picks and chisels, labor on gate box rods, etc.	51 20
Marion R. Haubrich, labor in office	26 25
Hays Mfg. Co., brass pipe fittings	11 50

George Hodge, labor	\$894 92
Thos Hodge, gasoline	45 75
Fred A. Houdlette & Son, cast iron pipe	1,246 49
C. E Howard, painting motor truck	30 00
Hurd & Kinney, insurance	7 50
Chas. Hutchins, labor	109 45
Kee Lox Mfg. Co., ribbons for typewriter	4 50
Keene Forestry Association, 10,000 pine trees	150 00
Aaron King, freight and cartage	60 09
James H. Kiniry, supplies	2 96
Lead Lined Iron Pipe Co., lead lined pipe	713 18
Ludlow Valve Mfg. Co., valves and hydrants	249 75
McGloughlin Iron & Brass Foundry Co., service boxes	50 70
John McGrath, repairing roof	2 25
H. Mueller Mfg. Co., brass goods	470 20
Richard Messer, use of derrick	3 00
National Meter Co., new meters and meter repairs	708 31
Neptune Meter Co., repairing meters	2 76
N. E Tel. & Tel. Co., telephone	27 00
N. E. Water Works Association, membership fee and magazine	3 00
P. Nolin & Sons, Inc., supplies	12 32
W. P. Nolin, P. M., stamped envelopes, postals and stamps	79 80
J. B. O'Neil, lettering door	3 50
H. W. Parker, legal services	16 00
Quimby & Quimby, repairing fountain pen	1 00
Rand, Ball & King Co., coal	575 59
Supplies	39 49
Chas. A. Rice, labor and supplies	615 08
James L. Rice, salary	1,436 66
Express, freight and cartage	9 65
Laundry	99
Incidental supplies	10 09
Robert G. Rossiter, lumber	1,457 39
Percy Roy, labor	57 45
Sanitas Mfg. Co., tapping bands	205 03
H. G. Sherman, rebate on water rent	42 23
Mrs. Nathan Stane, rebate on water rent	2 00
B. Steinfield's Sons, second hand pipe	1 25
Miss Fannie Stone, rebate on water rent	5 04
Carl Stowell, labor	2 00
J. E. Sullivan, rebate on water rent	304 21
Sullivan Machinery Co., labor on sleeve	2 00
	5 85

Sumner & Gerald, galvanized pipe and fittings	\$368 17
W. P. Sweeney, labor and supplies	12 55
George Sylvester, labor	2 75
Thos. Sylvester, labor	135 05
Thomas Mfg. Co., paint	6 62
Town of Claremont, rent of office and shop	300 00
Frank Tucker, labor	234 57
Union Publishing Co., directory	3 00
Ruth P. Walker, salary	526 95
Irving B. Weed, 6" tile pipe	3 52
B. G. Welch, printing	29 30
Welch & Riley, sponge	1 25
Wheeler's Pharmacy, typewriter	34 00
R. D. Wood & Co., cast iron fittings	30 73
Town Treasurer, balance on hand	
Dec. 31, 1917	14,283 58

	\$25,704 21

D. L. FLOYD, Treasurer.

### Superintendent's Report

FROM JAN. 1, 1917, TO DEC. 31, 1917

Main pipes have been laid as follows:

In Cottage St., 100 ft. of 6 in pipe	
In Breck Ave., 216 ft. of 2 in. pipe	
In Martin St., 234 ft. of 1½ in. pipe	
In Brown St., 41 ft. of 1¼ in. pipe	
In Lawton St., 134 ft. of 1¼ in. pipe	
Number of ft. of 6 in. pipe laid during the year	100
Number of ft. of 2 in. pipe laid during the year	216
Number of ft. of 1½ in pipe laid during the year	234
Number of ft. of 1¼ in. pipe laid during the year	175
	-----

Total number of ft. of main pipe laid during year 725  
Main pipes in use Dec. 31, 1917, are as follows:

267 ft. of 24 in. cement
8,237 ft. of 12 in. cement
7,609 ft. of 8 in. cement
13,010 ft. of 6 in. cement
10,535 ft. of 4 in. cement
7,010 ft. of 20 in. iron
444 ft. of 16 in. iron

Main pipes continued:

2,216 ft. of 12 in. iron	
2,030 ft. of 10 in. iron	
14,494 ft. of 8 in. iron	
34,232 ft. of 6 in. iron	
8,211 ft. of 4 in. iron	
20,130 ft. of 2 in. iron	
10,998 ft. of 1½ in. iron	
4,397 ft. of 1¼ in. iron	
1,457 ft. of 1 in. iron	
Number of ft. of cement pipe	39,658
Number of ft. of iron pipe	105,619
<hr/>	
Total number of ft. of main pipe equal to 27 miles and 2,717 ft.	145,277
Street gates set during the year are as follows.	
In Main St. 1 6 in. gate	
Number of street gates set during the year	1
Total number of street gates Dec. 31, 1917	334
Total number of blow off gates Dec. 31, 1917	14
Number of hydrants added during year	0
Total number of public hydrants	102
Total number of private hydrants	31
Total number of hydrants	133
Number of services added during the year	31
Number of services discontinued during the year	7
Total number of services	1,317
Number of meters added during the year	24
Total number of meters	927
Total number of leaks in the mains during the year	1

Added percentage	\$156,970 83
	<hr/>
	\$162,228 80 /

## Highway Department

### Permanent Improvement of Main Highways

At the annual Town Meeting in March, 1917, the Town voted to set apart from the appropriation for Highways the sum of \$2,500, which with \$2,500 contributed by the State made a joint fund of \$5,000 for the construction of the Central Trunk Line running from Claremont to Newport, Concord, Rochester and Dover, N. H.

Authority to issue notes or bonds amounting to \$25,000 to meet further expenses of construction of said Trunk Line was also voted, \$5,000 of which is to be paid each year commencing with 1918. Of the \$25,000 so issued it is expected that the State will each year pay to the town \$2,500 so that at the maturity of the last bond the State will have borne one-half the expense of constructing said line.

The amount of the joint fund available for the above work for the year ending January 31, 1918, and the amount which has been expended is shown by the following table:

State disbursements for 1917	\$ 1,233 52
Town disbursements for 1917	13,393 08
<hr/>	
Total expended	14,626 60
<hr/>	
One-half to be borne by the Town	7,313 30
<hr/>	
Remaining half to be borne by the State	7,313 30
Paid by the State	2,500 00
<hr/>	
Due Town from State on account of work done in 1917	4,813 30
<hr/>	
Contribution by the State for 1917	\$ 2,500 00

Contribution by the Town for 1917	\$27,500 00
Rand, Ball & King Co., over- charge refunded	9 00
	—————
	\$ 30,009 00
Total expenditure	\$14,626 60
Amount available to complete the road as follows:	
Bonds in hands of Select- men, unsold	\$ 5,000 00
Balance in Town Treasury	10,382 40
	—————
	\$ 30,009 00

The construction of the Trunk Line was under the control of the State Highway Department, with Charles E. Buckham, of Nashua, N. H., foreman, who has long been connected with the State Highway Department, in State Road construction.

The work began at the Newport line, with a deep cut and fill through the first hill west of Newport line, with a heavy Telford base to the Lozo pump, so called. Westerly over the hill, a large amount of blasting through the ledges was required to bring the road to proper width, and grade.

On the flat beyond the Sprague farm, a Telford base was constructed, and still another section was built down the hill west of the Sprague farm.

Another section was constructed from the Stowell farm westerly to Walker farm and the hills each side of the school house, to the Flint farm, making nearly one-third of the road thus far completed of heavy Telford base construction.

Metal and cement culverts were constructed, and rebuilt wherever needed, giving good drainage, it being one of the most essential things required for a good road.

Seven thousand two hundred feet of road was built, 21 feet wide, and covered with a heavy coat of gravel, making a road that the Selectmen think will give good service with proper care.

Owing to the scarcity of labor, work was somewhat delayed at times, and the number of feet completed fell short of the amount that was expected to be built.

The State Engineer tells us there is not over a 10 per cent grade on the road thus far completed.

### Trunk Line from Claremont to Concord, N. H.

R. E. Gould, board of State Highway Engineers		\$ 61 00
B. & M. R. R., freight bills as per vouchers		6 40

### Permanent Construction Under 1916 Appropriation

On January 31, 1917, there was an unexpended balance of the joint fund appropriated for permanent improvement of main highways for 1916 of \$251.03.

The following table shows the disbursements from and the present condition of the fund.

Balance in State Treasury		
Jan. 1, 1917	\$ 41 75	
Balance in Town Treasury		
Jan. 1, 1917	209 28	\$ 251 03
Disbursed by State 1917	11 08	
Disbursed by Town 1917	55 92	
Balance in State Treasury		
Jan. 1, 1919	30 67	
Balance in Town Treasury		
Jan. 1, 1918	153 36	251 03

The items of expenditure appear below:

H. K. Libby, culverts, 1916 work	\$53 36
Robert G. Rossiter, lumber, 1916	
work	13 64

## Maintenance of State Highways for 1917

The amount of the joint fund available for maintenance of State highways for 1917, the amount expended, and the unexpended balance are shown by the following table:

Balance in State Treasury			
Jan. 1, 1917	\$ 694 59		
Balance in Town Treasury			
Jan. 1, 1917	708 51		
Contribution by the State for 1917	1,500 00		
Contribution by the Town for 1917	1,500 00	\$ 4,403 10	
Disbursed by the State	1,814 40		
Disbursed by the Town	1,828 32		
Balance in State Treasury			
Jan. 1, 1918	380 19		
Balance in Town Treasury			
Jan. 1, 1918	380 19	4,403 10	

Balances in State and Town treasuries are for future expenditure in accordance with the laws and regulations adopted by the Governor and Council. The oiling was contracted for by the State at an expense of one thousand four hundred thirty-two dollars and thirty-nine cents (\$1,432.39), the steel culverts cost fifty-seven dollars and twenty cents (\$57.20), base and grate six dollars and forty cents (\$6.40).

The wooden bridge beyond the Simeon Fontaine farm, on the Unity road, has been rebuilt with reinforced concrete, and properly railed, making a great improvement at that place.

Near the Unity line a metal culvert has been laid, and the expense and upkeep in the future will be very small at these two places.

A patrolman was appointed by the State Engineer at an expense of \$788.30.

The items of expense by the Town appear below:

John Delorier, Patrolman			
111 1-9 days with team at \$3.50	\$389 03		
104 days with team at 3.75	390 00

From miscellaneous revenues to meet excess expenditures	3,992 65	16,528 16

DR.

Material on hand Jan. 31, 1917	326 04
Total expenditures by Thomas E. Hodge, Highway Agent as shown by foregoing ac- count	1,674 30
Total expenditures by E. C. Lewis, Highway Agent, as shown by foregoing ac- count	14,527 82
	\$ 16,528 16

### Maple Avenue

The services of the State Engineers were secured to establish grades, and advise with the Selectmen and Highway Agent, in regard to the method of repairs on Maple Avenue.

The Engineers' recommendations were followed, and beginning at Drapers Corner, a Telford base was laid for several hundred feet west, and covered with hardpan and gravel, and from the "Wilson Crossing" to the Norrington place, a fill of hardpan was made, then covered with a coat of gravel. There remain several hundred feet uncompleted.

31	Practice	Sullivans	.75
Jan. 1918			
1	Practice	Sullivans	.75
1	Game	Sullivans	10.00
Received from check room, when not rented, for year			23.30
			\$2,233.75

The opera house has been used nine times and the lower hall 30 times for which no income has been received. Had the regular rates been charged it would have amounted to	495.00
Placing the rental of the two offices at \$175 each	350.00
And the use of the basement for the Fire Department at	250.00

It gives the building an earning power of \$3,328.75

The basement has been used throughout the year for drilling by the National and the Home Guard without charge.

The building has been closed during the entire month of January to conserve fuel, the cash earnings representing 11 months.

A. W. HAWKES, Treasurer.

The number of books and magazines issued for home use in 1917 was 36,826, a gain of 2,644 over 1916, and of 10,828 over 1907.

There has been a great demand the past year for war books, including all kinds of literature relating to the war and the countries at war.

War service has been given in as many ways as possible, by bulletin board display and by distribution of pamphlets and other war literature, by the collection of books and magazines for the soldiers and sailors and in getting our quota of the money for the Camp Library Fund. The response to the call both in the giving of

time and money to make this campaign a success was very gratifying.

It is a time when the Library is of greater value and interest to our people than ever before.

The list of givers shows nearly every name of former years and several new ones, and the gifts are all very much appreciated.

Mrs. L. A. Parker has given the Library some of the early town reports. We would be glad to receive more of these early town reports.

The photograph of the Resolutions and the loving cup presented to the Rev. Dr. Francis E. Clark on the occasion of his visit last autumn and a portrait of Dr. Clark are valued acquisitions.

Special exhibits by Miss Sherinyan, Miss Lucile Lloyd, Mr. Lloyd, and post cards and papers from France received from Miss Ida C. Bracher have proved attractive.

Trustees of Fiske Free Library.

IRA G. COLBY, Secretary.

## Report of Health Officer

---

To the Board of Selectmen:

Communicable diseases were reported and quarantined during the year ending Jan. 31, 1918, as follows: Scarlet fever, 24; typhoid fever, 2; diphtheria, 10; measles, 2; infantile paralysis, 3. There were five deaths from tuberculosis. Thirty-two weekly reports of these facts were sent the State Board of Health.

The following areas were fumigated: rooms, 195; hallways, 2; toilets, 12; cabs, 2.

It was found necessary this year to aid four of the families that were quarantined.

Nuisances were reported and attended to as follows:

Dirty premises	16
Garbage piles	1
Dumps	5
Dead animals	9
Defective drains	14
Manure piles	1
Privies	8
Pig sties	3
Breaking quarantine	3
Overflowing cesspool	5
Slaughter house	1
Miscellaneous	8

Five signs have been posted. At one time 12 samples of milk were sent to the State Laboratory of Hygiene for analysis, and seven different samples of water have been sent, besides several miscellaneous articles for the detection of harmful ingredients or germs.

A contract for the collection of garbage was made similar to that of last year. For \$400 the work was done from May 1 to Nov. 1, and it was continued through the month of November for the sum of \$50 additional. It would seem that this appropriation might wisely be made to cover also the clean-up campaign in the spring.

Beside the nuisances reported above, several complaints were received of the surface drains and one trap was installed by the Highway Agent. The use of these drains as sewers makes a situation that is serious and growing worse.

Respectfully submitted,

F. W. JOHNSTON, Health Officer.

## Chief Engineer's Report

---

The record for the fire department for the year ending Jan. 31, 1918, consisted of fourteen bell and 48 still alarms, not including brush fires, the report of which can be found under the report of the State Forestry Commissioner's agent. The bell alarms were as follows:

Feb. 2, box 12, 3:45 a. m. Monadnock waste house.

March 18, box 14, 6:30 p. m., Paulette house, corner North and Hanover streets.

April 25, box 26, 12:15 a. m., Sullivan Machinery Co.'s blacksmith shop.

July 4, box 3 twos, 9:30 p. m., Hospital barn.

Sept. 2, box 22, 6:10 p. m., False alarm.

Sept. 8, box 19, 8:55 a. m., Roberts Mill.

Sept. 20, box 47, 9:30 p. m., Mrs. Bourret house, Fremont street.

Oct. 18, box 13, 10:10 p. m., Howe's auto storage, Pleasant street.

Nov. 4, box 46, 7:30 a. m., Adair Sihaush house, Vine street.

Nov. 8, box 54, 6:30 a. m., Power Station.

Nov. 13, box 14, 2:15 p.m., Colby house, Lincoln street

Nov. 19, box 47, 3:15 a. m., Brush fire, Pine woods, North street.

Jan. 6, box 44, 5:15 a. m., Dudley house, Claremont Junction.

Jan. 15, box 37, 5:20 p. m., Welch & Riley stable, Tremont street.

There was a slight increase in both bell and still alarms over the preceding year and the fires were of an ordinary nature.

### HYDRANTS

The hydrant system is the same as last year, there having been no additions made.

### FIRE ALARM SYSTEM

Two private boxes have been added to the system, one No. 55 at the McElwain shoe shop and No. 54 at the Claremont Power station.

## REMARKS

In compliance with the vote of the annual town meeting, the committee on the construction of a new central fire station have had their plans come to a realization, for the central station is rapidly nearing completion. The committee feel that the town was very fortunate in having Mr. H. R. Beckwith take the contract for the construction of the same for he has worked diligently and has given the best of satisfaction so far in his work.

It will be necessary for the voters to be liberal in their appropriation for maintaining and equipping the central station for there will necessarily be many things to be had and the best at first is the cheapest in the end.

## EQUIPMENT

The personnel and equipment of the department is as follows:

Chief Engineer and three assistants.

Triple Combination Chemical.

Eagle Hose No. 1, 20 men.

Eagle Hose No. 2, 5 men.

Tiger Hook and Ladder Co., 16 men.

Steamer Claremont No. 1, 5 men.

4,000 feet of hose, 6 Pyrene chemical extinguishers, 6 pony chemical extinguishers.

Drop harnesses for hose and hook and ladder trucks, 65 foot truss extension ladder, two brace towers.

The work of the fire department is practically covered by the above enumerations and although there have been no serious fires the department has so worked that many a fire has been overcome by the prompt response of the department and untiring efforts on the part of the members. The department appreciate the kindly feeling of the townspeople and their co-operation at all times.

C. E. SEARS, Chief Engineer.

## Police Department

---

To the Honorable Board of Selectmen of the Town of Claremont:

I have the honor to submit to your board my second annual report of the work performed by the members of the Police Department of the town of Claremont, for the year ending Jan. 31, 1918.

The force consists of three regular, and four special policemen.

The number of arrests made during the year was 158, of which five were juveniles, and are classified as follows:

Drunks	19	Non-support	1
Assault	19	Transporting liquor	1
Larceny	14	Delinquent child	2
Sale of liquor	15	Interfering with officer	3
Slackers	2	Disorderly house	1
Deserters	2	Fornication	1
Suicide	1	Gambling on the Lord's Day	
Overspeeding	3		4
Gambling machine	4	Breaking and entering	3
Rape	1	Manslaughter	
Peddling without a license	1		1

Complaints were disposed of as follows:

Paid fines and costs	119
Committed to County Farm	14
Bound over to Superior Court	6
Arrest for out-of-town officers	1
Discharged by Court	1
Suspended sentence	8
Put on probation	4
Committed to Industrial School	5

Number of tramps who had lodging during the year	283
Business places neglecting to lock doors	21
Lost children restored to parents	10
House fires attended by police	14

All of which is respectfully submitted,

DANIEL E. WHITE, Police Officer.

### Report of Probation Officer

The year just passed has been an unusually quiet one in Claremont in spite of the fact that in other large towns and cities reports show that juvenile delinquency has increased. In Claremont there has been a marked decrease. Two boys were committed to the State Industrial School on the charge of stealing and being unmanageable by parents. Five very minor cases have been looked after outside of court, either at the request of parents or interested friends. These have all responded favorably. The cases brought over from last year have all been dismissed from probation and are apparently doing well.

Respectfully submitted,

MAYNARD L. CARPENTER,

Probation Officer.

## Stevens High School

---

### Committee Report

In June a class of forty-one, the largest in the history of the school, was graduated. In September the entering class numbered seventy-six. The total enrolment for the present year has been 232.

It may be noted that the present school year completes fifty since the founding of the school. At the alumni reunion last year a committee was appointed to co-operate with the High School Committee in making suitable provision for commemoration of that event.

A number of changes has occurred in the teaching staff. The vacancy in the drawing department was filled by employing Mr. Pierce of the manual training department for one additional day, and putting him in charge of the drawing. Miss Cushing resigned in May, and was succeeded by Miss Hathaway, who, in turn, resigned in July to accept a larger salary in a smaller town. She was succeeded by Miss Griffin, Mount Holyoke 1917. Miss Seaver resigned in June to accept a more remunerative position elsewhere. She was succeeded by Miss Williamson, who resigned in January to enter a more attractive clerical position. This vacancy was filled by the election of Miss Hardy, who has been teaching in the high school at Warner. The interval between the departure of Miss Williamson and the arrival of Miss Hardy was satisfactorily filled by Miss Nellie C. Lewis of this town, a former very successful teacher in Stevens. In December Miss Shaw left to accept a larger salary elsewhere, and her place was filled by Miss Hoyt, who was teaching in Antrim. One or two other teachers had opportunities to go, but did not accept. We feel, however, that there is constant danger of losing some of our best teachers.

Most of our teachers have left for a larger salary. Many other places have raised salaries on account of the increased cost of living. Wages in factories have been increased again and again. Many teachers are attracted to government positions which pay at the start more than they would get as teachers. Some of the graduates of our commercial department have positions with more

salary than we pay the teachers that trained them. The demands of the national service have caused the same shortage of labor force in teaching as in other occupations. Our teachers who have left for larger salaries report that their living expenses are no higher than at Claremont.

The last vacancy was filled only after much trouble, time and expense. Years ago there were more applicants than positions, and our task was to choose the most promising candidate from a number of applicants. That is no longer the case. It is a question of finding any one at all who will come at the salary we can offer.

The High school assistant teachers have asked for an increase of fifteen percent. We think the increase should be given and have included it in our estimates of expenses for the coming year. Unless salaries are raised, we must expect to lose most of our best teachers, and the result upon the efficiency of the school would be most unfortunate.

A very successful and well attended demonstration of the work in manual training, domestic arts, commerce, drawing and science was held in June. In addition to the usual exhibit of completed work, the processes were in actual operation in the shops, kitchen, offices and laboratories.

Systematic instruction on how to study has been given to all pupils. For a long time some of the teachers have been trying out plans for directed study, and this work has been extended. The Pathescope, a moving picture apparatus for schools, has been in effective use for over a year, and is being paid for by the Science Club without expense to the town. The Agora, a senior debating society, has been formed for discussion of public questions. Athletics have been put in charge of an athletic council, consisting of one member of the high school committee, three alumni, the head master, sub-master and undergraduate managers and captains of the sports concerned.

In many ways the school has felt the influence of the war. One senior enlisted last spring. We have a student at West Point and another at Annapolis. The school service flag, donated by Mr. C. F. Weed of the class of 1890, contains sixty-eight stars. Seventy of our present students own liberty bonds, and twenty of these earned the money themselves. The pupils did their full share in the drives for Red Cross and other patriotic or-

ganizations. Many have bought thrift stamps and contributed personal labor in relief work. Students in the commercial department have done clerical work for various organizations. Last spring sixteen boys were released for work on food production. The war has been the starting point for much of the teaching in history, civics, economics, domestic arts, science and English. Most of the students have pursued regularly the United States government lessons in community and national life. The classes in French are supporting a French orphan, and doing other relief work.

The building is being used nearly every school day by some organization for war work. The old assembly hall has been used by the Red Cross and the Surgical Dressings committee, the domestic arts kitchen by the Home Economics club for canning demonstrations and food conservation demonstrations, the new assembly hall for patriotic meetings by the Chamber of Commerce, Agricultural Association, and other organizations. All this has increased the expense for heat and light, but the quarters were so well adapted and convenient that we felt that in affording the facilities of the building for these purposes we should be carrying out the wishes of the town.

The rising cost of living affects the High school as it does every other activity. Fuel, chemicals and laboratory supplies, books and paper, supplies for domestic arts and manual training, incidentals, all cost more. For the maintenance of the school, including the salary increase before mentioned, we recommend the appropriation of \$9,500.

Respectfully submitted,

W. E. KINNEY,  
E. J. ROSSITER,  
R. H. BROOKS,  
F. W. JOHNSTON,  
R. D. HUNTER,

Stevens High School Committee.

## Report of Committee on Central Fire Station

---

To the Board of Selectmen:

The Committee met soon after appointment and organized by choosing Thomas Officer Chairman and H. S. Richardson Clerk.

After investigating several modern fire stations and considering the report of the previous Committee Mr. Hiram R. Beckwith was employed to draw up plans and specifications. The Board of Selectmen and the Board of Fire Wardens were consulted at each step and their approval obtained.

Having obtained from Mr. Beckwith satisfactory plans and specifications for a central fire station and a cottage for the Chief Engineer bids for the construction of the same were advertised for on May 28, 1917, and copies of the paper containing the advertisement were widely distributed among prospective contractors. The lowest bid obtained was for \$35,700.00. As the Committee was limited to \$25,000.00 it proved necessary to abandon the idea of erecting the proposed cottage. After making some minor changes in specifications contracts were made with Mr. Beckwith to erect the building for \$24,600.00, and Mr. Fred A. Currier to do the electric wiring and install fixtures for \$400.00. In order to secure these contracts it was necessary to agree with Mr. Currier that the lowest priced fixtures should be used. The fixtures have not yet been installed and it may be deemed wise to take steps to have a better grade of fixtures used more in keeping with the building.

On account of war conditions it has been impossible for Mr. Beckwith to procure materials and supplies without delays and in consequence the contracts have not

yet been completed, but they are nearing completion and the building will soon be ready for occupancy and use.

Respectfully submitted,

THOMAS OFFICER,  
GEO. W. PAUL,  
H. R. FRASER,  
C. E. SEARS,  
H. S. RICHARDSON,

Committee on Central Fire Station.

## Auditors' Statement

---

We, the undersigned, auditors of the Town of Claremont, have examined the foregoing accounts of the Selectmen, Town Treasurer, Highway Agent, Overseer of the Poor, Treasurer of the High School Committee, the Financial Agent of the Fiske Free Library, Collector of Taxes, the Superintendent of the Claremont Water Works, the Trustees of the Stevens and Healey Funds, the Manager of the Opera House, Treasurer of the School Board of the Town, the Trustees of Town Trust Funds, the Cemetery Commission, and the Monadnock Park Committee, and find the same correct with proper vouchers.

H. W. PARKER,  
C. H. WEED,  
GEO. H. BOYNTON,

Auditors.

# VITAL STATISTICS

In compliance with an act of the Legislature passed June Session, 1887, requiring "clerks of towns and cities to furnish a transcript of the record of births, marriages and deaths to the municipal officers for publication in the Annual Report," we submit the following:
